2019/2020 ANNUAL REPORT

1. INTRODUCTION/PREFACE

The Redeemed Christian Church of God (RCCG), Europe Mainland Region 1 is full of thanksgiving for great and mighty works and countless blessings and joys that have been bestowed on us through Jesus Christ our Lord and Master. Our joy knows no bounds as we continue to fulfill this work of the Great Commission that has been committed into our hands through His grace and mercy.

Within the past 12 months testimonies of salvation, healing, restoration and many more are shared in our churches and mission fields in Europe Mainland on a daily basis.

Also, we use this opportunity to thank our beloved Father in The Lord, as well as our Mother-in-Israel for their efforts and commitment with which they have supported the great work in Europe Mainland.

Our prayer is that the Lord Jesus continues to bless them and all others who have supported us with increasing grace in the name of our Lord Jesus Christ. Our God will continue to strengthen the Global Mission with His strength and wisdom. Amen.

We hereby present to you RCCG Europe Mainland Mission Regions 1 annual report, with a comprehensive account of events and activities from July 2019 – June 2020.
