# MONTH OF DIVINE FRUITFULNESS AND INCREASE

SEPTEMBER 2022 MESSAGE

*In the midst of famine, the righteous would be satisfied. Ps. 37. 19; He that abides in me and I in him the same brings forth much fruit; for without me you can do nothing. Jn. 15.5.*

**W**e bless the Lord for the awesome testimonies of the past month and year. The Lord visited His people and gave us perfect opportunities to jubilate in diverse ways. Hallelujah!

We enter today into a month of divine fruitfulness and increase. It might indeed be a season that the global or national economies enter into a time of lack or scarcity. But for God's children who walk by Him, it is our season of divine fruitfulness and increase.

**There are five keys that we are to use to navigate and engage abundance in this season:**

**First, APPRECIATE GOD AND HIS HUGE INVESTMENT IN YOU.** You are loaded by the God of Abundance for abundance. Jn 10.10. As you stop complaining and bless and honor the Lord for His abundance in your life, He would come into your situation and reveal to you the hidden opportunities, winning strategies and action points that would lead you to all-round fruitfulness and increase. He dwells in the praises of His people. Ps 22. 3.; Phil. 2.14. As you bless Him He would reveal to you what you must do to escape lack and defeat. 2 Kgs 3: 15-17. The ark which killed its handlers everywhere brought super abundance to Obededom, within only three months, exceeding the king of Israel. King David heard this and came quickly to fetch the ark after learning what this foreign settler usher did to have a transformed life. 2 Sam. 6. 9-13. Similarly, the widow of the prophet stopped complaining about lack and indebtedness when asked what she had at home. She discovered that she had already what would take her and family from debts and lack into abundance. 2 Kgs 4. 1-7; Ps. 67: 5-7.

**Second, CHANGE YOUR MIND-SET,** prayers and desires from 'bless me to make me a blessing'. The Lord already made clear the path to being blessed: Its obedience and service. Ex. 23.26, Jn. 4.36. The purpose of our being blessed is to be able to promote Christ's kingdom agenda (righteousness, peace and joy) for many other than yourself and immediate family members.

This was the lifestyle of the Lord Jesus and He invites us to do the same. Jn. 12. 24; 15. 14-16. The small boy gave up his lunch to the Lord to feed the masses, he took home 12 baskets. Jn. 6. 5-13.

**Third, ABIDE IN CHRIST BY THE POWER OF THE HOLY SPIRIT.** Believers can walk either in the flesh or the Spirit. Make a conscious choice everyday to walk in the Spirit and not in the flesh. The fruit of the latter is a return to our old life whereas the fruit of the former is love, peace, joy, longsuffering, gentleness, goodness, meekness, faith and self control. Jn. 15.5, Gal. 5. 16-25. The Holy Spirit is key to fruitfulness and increase. He promised to teach us to profit and also to empower us for increase. Deut. 8.18, Is. 48. 17, Jn. 14.26.

**Fourth, DISCERN THE TIMES, PEOPLES AND OPPORTUNITIES** that the Lord would bring your way. Based on His promise to bless the righteous in the midst of famine, the Lord would bring your way in this season, special people who carry anointing for increase and fruitfulness. The Shunammite woman discerned that Elisha was a true man of God. Fake men of God abound in all times and seasons. It is your responsibility to discern the people that carry the anointing for abundance. 2 Kgs. 4: 8-37.

**Finally, USE YOUR TESTIMONIES** to help others to discover the God of abundance and increase. There is a video on social media discouraging people to keep their mouth shut when God has blessed them. This is a video that is contrary to the Lord's word. Our testimony is a weapon that defeats Satan and his hosts. It is also a prophecy for those who hear us. Rev. 12.11, 19.10. Recently, I visited a country and was amazed to find that while the statisticians recorded industry shrinking by one third (33%), the Lord was busy raising many legitimate millionaires and billionaires in the same country at the same time.

***Welcome to the month of divine fruitfulness and increase***
